meetings need not provide for non-agenda public comment, but such comment may be allowed in the AC's discretion. III. Roles and Responsibilities

Agency Board of Directors

The Agency Board commits to the value of the AC and will consider AC recommendations when making decisions.

Facilitator

As resources allow, a third-party facilitator may provide impartial facilitation services for AC meetings. The facilitator's primary responsibility is to ensure an open process where all AC member interests are heard and thoughtfully considered. To this end, the facilitator works on behalf of the process and the members contributing to AC efforts. Specific facilitator responsibilities include:

1. Supporting the Management Committee in developing and distributing Committee agendas and relevant materials
2. Advocating for a fair, effective, and credible process, but remain impartial with respect to the outcome of the deliberations
3. Applying collaborative, mutual-gain negotiation methods that foster openness and identify areas of preliminary and final consensus agreement for advice and recommendations to the Board

IV. Membership

Composition of the AC is intended to represent the beneficial uses and users of groundwater identified in SGMA. AC members only fill one seat on the AC and may not serve concurrently on the Agency Board or on the Management Committee. Members must live or work within the Wyandotte Creek subbasin or represent an organization with a presence in the Wyandotte Creek subbasin.

The Agency Board will appoint representatives to the AC. The following represents a draft, proposed list of possible AC representation:

1. Cal Water - Oroville (1)
2. South Feather Water and Power (1)

3. Tribal representative(s)
4. Agricultural groundwater users:
 - a. Two (2) at-large members
 - b. One (1) Groundwater Pumpers Advisory Committee (GPAC) member. In the event that the GPAC dissolves, this position will transition to an at-large position
5. At-large domestic well users (2)
6. At-large environmental representative (1)
7. At-large business association representative (1)

The Agency Board may appoint other interests representing beneficial users and uses of groundwater as per Water Code Section 10723.3).

Member Appointment

The Agency Board will appoint at-large members to fill AC seats. Interested individuals from the community or organizations may apply to the Agency Board, specifying in the application the seat(s) that the applicant intends to be considered for.

The Agency Board encourages candidates with experience and familiarity with groundwater and its groundwater management. The Agency Board will also give preference to applicants who have the backing of multiple organizations or individuals, have experience working with diverse community-based groups and can represent the interests of disadvantaged populations or interests that are otherwise under-represented on the Advisory Committee.

Application Timeline

Following Agency formation, the Agency Board will establish a timeline and process for appointment of the initial AC using the application process for the at-large seats on the AC and appointing the non-at-large seats as presented by the respective governing bodies of those non-at-large seats. In subsequent years, at-large applicants will submit applications for vacant at-large seats when they become vacant. The Agency will post blank applications on its website.

Advisory Committee Member Terms

The initial AC appointments will include approximately half of the seats with three-year terms ending in December 2022 and the remaining seats with two-year terms ending in December 2021. Following initial Committee appointment, all terms will be two years in length, ending in December. Appointees are not term-limited; however, at-large members would be required to apply for open seats each term. If a vacancy occurs for a seat before the end of the term, the Board will appoint a new individual to complete the term (using the application process for the at-large seats).

The Agency Board can remove an AC member if the member fails to attend three consecutive meetings or if the AC member no longer meets the criteria for AC membership. If deemed necessary by the Board, alternates may be appointed by the Agency Board.

V. Decision Making and Recommendations to the Agency Board

To inform Agency Board decision-making, the AC will provide written recommendations to the Agency included in Management Committee reports.

Any AC member(s) who disagree with a recommendation made by the AC to the Agency should provide an alternative that attempts to meet the interests they are representing as well as the interests of other members. The Committee will strive for consensus; however if unanimous agreement among all participants cannot be reached after all interests and options have been thoroughly identified, explored, and discussed, the AC shall not limit itself to strict consensus. When unable to reach consensus on advice or recommendations, the AC will outline the areas of disagreement and provide an explanation about such disagreements to inform the Agency Board for decision-making processes.

Pursuant to Agency Board direction, the Management Committee will develop an annual work plan(s) and schedule(s) for AC meetings. The AC will adopt a charter describing the purpose, operating principles and ground rules of the AC. This charter will be subject to approval by the Agency Board of Directors.

The Agency Board will consider AC recommendations when making decisions. If the Agency Board does not agree with the recommendations of the AC, the Agency Board shall state the reasons for its decision.

In order to conduct business (e.g. make and advance a recommendation to the Board), a quorum of the AC seated must be present. A simple majority of AC members constitutes a quorum.

VI. Process Agreements and Ground Rules

To conduct a successful collaborative process, all AC members will work together to create a constructive, problem solving environment. To this end, all members agree to the following process agreements which the AC will use, and to ground rules which will guide individual and group behavior.

Process Agreements

1. Everyone agrees to negotiate in good faith. All participants agree to participate in decision making, to act in good faith in all aspects of this effort and to communicate their interests during meetings. Good faith also requires that members not make commitments they do not intend to follow through with, and that members act consistently in the meetings and in other forums where the issues under discussion in these meetings are also being discussed.
2. Everyone agrees to address the issues and concerns of the participants. Everyone who is joining in the AC is doing so because s/he has a stake in the issue at hand. For the process to be successful, all the members agree to validate the issues and concerns of the other members and strive to reach an agreement that takes all the issues under consideration. Disagreements should be viewed as problems to be solved, rather than battles to be won.

3. Everyone agrees to inform and seek input from their constituents about the outcome of the facilitated discussions. To the extent possible, scheduling will allow for members to inform and seek input from their constituents, and others about discussions.
4. Everyone agrees that members can meet with other organizational or interest group members. AC members may find it helpful to meet with other organizations or interest group members and to consult with constituents outside of the meeting so the member is better able to communicate community concerns on the issues at hand.
5. Everyone agrees to attend all of the meetings to the extent possible. Continuity of the conversations and building trust are critical to the success of the AC.

Management Committee member(s) and / or the facilitator will coordinate the AC meeting schedule.

Ground Rules

1. Use Common Conversational Courtesy: Treat each other with mutual respect as you discuss and deliberate groundwater issues. Members are encouraged to turn off cell phones and focus on the issue at hand.
2. All Ideas and Points of View Have Value: The goal is to achieve understanding. Simply listen, you do not have to agree. If you hear something you do not agree with or you think is "silly" or "wrong," please remember that the purpose of the forum is to share ideas.
3. Be Honest, Fair, and as Candid as Possible: Put your interests forward, help others understand you and listen actively in order to understand others.
4. Avoid Editorials: It will be tempting to analyze the motives of others or offer editorial comments. Please talk about your own ideas and thoughts. Avoid commenting on why you believe another participant thinks something.
5. Honor Time, Be Concise and Share the Air: Help ensure an inclusive discussion by being cognizant of time constraints, stating your views clearly and concisely, and sharing the air so others can participate as well.
6. Think Innovatively and Welcome New Ideas: Creative thinking and problem solving are essential to success. "Climb out of the box" and attempt to think about the problem in a new way.
7. Invite Humor and Good Will: Don't hesitate to bring levity and humor to the process when warranted.

VII. Amendments

The AC can recommend future changes to the charter. The Agency Board may amend the charter when needed using its decision-making procedure.
